

The Thuraya XT-LITE is the affordable, functional and reliable satellite phone from Thuraya. Designed for the cost-conscious user, this entry level handset is ideal for those who need to stay connected with voice and SMS connectivity at a low cost. The XT-LITE is easy to use, make calls and send SMS messages in satellite mode where there is no mobile network available. The long lasting battery gives up to 6 hours talk time or 80 hours standby time.

FEATURES

-  Satellite voice and SMS
-  Long-lasting battery life
-  Glare-resistant display with high contrast menu for easy readability in direct sunlight
-  Conference calls and call-waiting
-  Alarm, calendar, calculator, stopwatch and world time

WHY PIVOTEL?

- Standard local mobile numbers
- No complex dialing rules with low satellite call rates
- Callers to you pay standard call-to-mobile rates
- Dedicated customer care specialists based in the US, AU & NZ.

COVERAGE

Access in over 161 countries!

Satellite Signal Tip!

In Australia, Thuraya works best when the antenna is directed North West and has a clear path to the sky with no obstruction.

WHAT'S IN THE BOX?

- Thuraya XT-LITE Handset
- AC Travel Charger
- Rechargeable Li-ion Battery
- User Guide
- USB Cable for Firmware Upgrades

SPECIFICATIONS

- Size: 128 (H) x 53 (W) x 27 (D) mm
- Weight: 186 g

- Standby: Up to 80 hrs | Talk-time: Up to 6 hrs

Reception limitations and some exclusion zones apply. A clear view of the sky is required for operation in satellite mode.

Satellite phone accessories available for the Thuraya XT-LITE! Accessories sold separately.

EXTERNAL ANTENNA

The external antenna provides improved satellite signal reception when used on the move or stationary, e.g. in caravans, vehicles or boats.

CAR CHARGER

A car charger ensures that the Thuraya XT-LITE is never out of power while you are on the move.

SOLAR CHARGER

Charge the Thuraya XT-LITE even when you have no access to electricity.

HEADSET

Use the Thuraya XT-LITE in hands-free mode with an optional earphone.

BATTERY

An additional battery serves as a backup for the Thuraya XT-LITE and extends usage time when you have no access to electricity.

TRAVEL CHARGER

(with EU/UK/CHN/AUS plugs) The travel charger connects your phone to a mains socket. The exchangeable plugs allow charging in most parts of the world.

USB CABLE

With a USB cable you can upgrade the software of the Thuraya XT-LITE easily when new software versions are released.

WINDSCREEN RAM MOUNT

Standard windscreen RAM mount for the Thuraya XT-LITE with suction cup base.
