

Rates apply to the Inmarsat IsatPhone 2 and IsatPhone Pro.

Important: There is a minimum firmware version requirement needed in order for IsatPhone Pro and IsatPhone 2 to work with a Pivotel SIM.

Please refer to <https://pivotel.com/isatphone-important-note> for minimum firmware requirement information for each device, how to upgrade the firmware and other important notes.

- Only \$5.00/month while your service is on hold
- Use your phone seasonally but keep the same +1 local number
- Maintain business continuity when you need it most

Free calls to Customer Care

- Friendly US based Customer Care specialists
- Call +1-865-379-8723

Plus, easy to use services, flexible included value and the ability to reactivate your deactivated Pivotel SIM card at no extra cost!

Pivotel America Inc. (Pivotel) IsatPhone plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Visit www.pivotel.com/inmarsatcoverage for a coverage map. All calls are charged in 60 second increments unless otherwise stated. Prices quoted are in USD excluding any applicable taxes and are subject to change. Included call value excludes premium calls, calls to special numbers, IDD (international direct dial) calls and premium text. For information on call costs to all countries and destinations visit www.pivotel.com/inmarsatidd. Pivotel may apply call barring where fraudulent use is suspected, there is a breach of the Pivotel Incoming Calls Fair Use Policy or for credit control purposes. 12 month minimum term applies. Please refer to the table above for minimum cost over 12 months for each plan. You may choose to waive the minimum term when purchasing outright only by paying a \$50.00 contract waiver fee at the time the service is connected. Plans can be upgraded at any time but will only take effect on the next billing cycle. Downgrades shall only be possible as low as the starting plan prior to any upgrade. A plan downgrade fee may apply. Downgrades below the starting plan are not allowed. Save Your Local Number allows a service to be put on hold while still maintaining your local number. Your service can utilize Save Your Local Number for up to 6 months in any 12 month period. Your service access fee will be the Save Your Local Number fee for the period this feature is active. If you use Save Your Local Number with your service during the minimum term, your minimum term period will be extended equivalent to the number of months your service is in Save Your Local Number. An Inmarsat device is required to access the Pivotel Inmarsat service (see handset pricing). Pivotel Inmarsat IsatPhone Plans may not be used with Inmarsat Maritime Terminals including Inmarsat handsets when used in a maritime environment with an installed antenna. Please refer to Pivotel Inmarsat GSPS Maritime plans for use with Inmarsat Maritime Terminals. You will receive a bill by email from Pivotel listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill. Itemized billed and unbilled service usage is available in the secure Selfcare website at www.pivotel.com/selfcare. An itemized bill listing all of your service usage events is available on request. Pivotel plans are available to credit approved customers only.
