Pivotel America Inc. (Pivotel) Inmarsat Fleet Xpress Crew Internet Entry Promo Plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Fleet Xpress Crew Internet Entry Promo Plans are available to commercial maritime use only. A Maritime Mobile Security Identity (MMSI) must be provided upon provision of service. A Fleet Broadband service is provided as part of Fleet Xpress for backup Voice and Data communications. All calls are charged in 1 minute increments and are subject to change. Actual charges may vary on your statement as charges are rounded to the nearest cent. Minimum term of 36 month or 60 month applies. Visit [www.pivotel.com/inmarsatcoverage](http://www.pivotel.com/inmarsatcoverage) for a coverage map. An Inmarsat Fleet Xpress terminal is required to access the Pivotel Inmarsat Fleet Xpress service. Additional Network Service Device (NSD) and Fleet Broadband terminal are required to use Fleet Broadband backup voice and data services. Pivotel may apply call barring where fraudulent use is suspected or for credit control purposes. You will receive a bill by email from Pivotel listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. Itemised billed and unbilled service usage is available in the secure Selfcare website at [www.pivotel.com/selfcare](http://www.pivotel.com/selfcare). An itemised bill listing all of your service usage events is available on request. You may elect to receive a paper bill by post for an additional fee. Pivotel plans are available to credit approved customers only. You may receive a pro-rata access fee charge on your first Pivotel bill, calculated from the actual date of service connection to the date of your first bill.
